

ONSITE HEALTH & SAFETY MEASURES

Health & Safety Measures at Neurobiology 2022

The health and safety of all those attending Neurobiology 2022 is paramount. This not only includes delegates, faculty, sponsors and exhibitors but also all meeting staff, suppliers, venue staff and other supporting cast members that contribute to the execution of the meeting. Our commitment is to provide a safe and comfortable environment for all attending our meeting from April 3rd to 7th, 2022 in Oaxaca, Mexico.

All participants must adhere to the following terms and conditions that will be imposed and enforced, while attending the IV Neurobiology Meeting (the “Event”).

By registering for the Event you agree to the terms below.

1. All registered attendees must be fully vaccinated against Covid-19 prior to entry into the Event. All registered delegates will be asked to send proof of full vaccination prior to their arrival in Oaxaca to neurobiologia@smb.org.mx AND will be asked to present proof of full vaccination prior to entry into the event. Access will be denied if proper proof of full vaccination is not provided.

Accepted forms of proof: (Note: Proof of vaccination must match Attendee's name):

- Copy of an official certificate from your Country/State/Province
- Photo of the official certificate
- Digital PDF or document of official certificate on mobile device

Accepted Vaccines:

- The Pfizer/BioNTech Comirnaty vaccine
- The AstraZeneca/AZD1222 vaccine
- The Janssen/Ad26.COV 2.S vaccine developed by Johnson & Johnson
- The Moderna COVID-19 vaccine (mRNA 1273)
- The Sinovac-CoronaVac vaccine
- The Covovax (NVX-CoV2373) vaccine
- The CanSino vaccine
- The Sputnik vaccine

2. Masks must be worn at all times during the Event in all Neurobiology 2022 meeting rooms and official social functions. Masks can only be removed when you are eating,

drinking or taking medication. Failure to comply with the masking requirement may result in removal from the Event with no refunds.

3. The meeting organizers and the Planning Committee will in their best effort, provide a safe environment to meet; however, you understand there is a risk of contracting Covid-19 even with all the safety measures in place. It is expected that all participants will follow the measures to help reduce the risk.

Any Questions Or Concerns?

Again, these measures are put in place and will be enforced to help protect all those who attend Neurobiology 2022. If you have any concerns with the above or foresee an issue with providing proof of vaccination, please contact us at neurobiologia@smb.org.mx so we can address your concerns.
